

ESPRAS

European Leadership Forum

More Impact – TOGETHER

The European Society of Plastic,
Reconstructive and Aesthetic Surgery

October 2nd 2020 14:00 to 16:30 CEST

European Leadership Forum goes virtual!

Dear leaders and delegates of national societies of plastic surgery in Europe,

The Executive Committee (ExCo) of the European Society of Plastic, Reconstructive and Aesthetic Surgery organizes its first ESPRAS European Leadership Forum on October 2nd 2020. The aim is to provide a platform for international exchange of common issues for leaders and delegates promoting closer cooperations throughout Europe. Due to the SARS-CoV-2 pandemic and the COVID-19 restrictions the European Leadership Forum cannot take place in Munich as originally planned, but ESPRAS stands for it and goes virtual. Access data will be communicated in due course.

Members of the board of directors of national societies for plastic surgery (presidents, vicepresidents, secretary generals and national delegates) are warmly welcome to contribute and participate in this two session afternoon virtual meeting on Friday October 2nd 2020.

The program will include a Q & A session where every national representative will have the opportunity to contribute, as well as an ESPRAS General Assembly session. Hot topics with the clear need of European harmonization will be identified in due course.

Please confirm your participation and suggestions for the program as soon as possible via Email to r.giunta@med.uni-muenchen.de.

ESPRAS welcomes all European leaders in plastic surgery!
